Updated March 29, 2006

SEBA SPRING COLLEGE SHOWCASE

The 2006 SEBA Spring College Prospect Showcase was held March 18 at Life University in Marietta, Ga. The event was at full capacity and brought together the region's best unsigned seniors, and top underclassman talent from throughout Georgia, Florida, Tennessee and as far away as the Bahamas. Over 47 college coaches were in attendance to evaluate and recruit players. We want to thank all of the coaches in Georgia and Florida who lent their support and assistance in making this a very successful event.

Below is a listing of the Event's Outstanding Performers. College Coaches who wish to obtain the Official Event review which comes complete with player profiles and evaluations should contact Georgia Director William LoPresti.
