**(Atlanta, GA)**

**The 2013 SEBA Atlanta All-Star Shootout** took place this past Saturday on the campus of Oglethorpe University in Atlanta. This annual event, now in its 11th year, featured a full capacity roster of 180 players from the Classes of 2014, 2015, and 2016. The roster was comprised of talented college prospects from throughout Georgia as well as from the states of Florida, Tennessee, South Carolina, North Carolina, Alabama, Kentucky, Virginia, and New Jersey. The Camp provided excellent exposure to the participants, as the facility was packed with College Coaches evaluating prospects. Several Regional scouting publications were also on hand to cover the event.

The Shootout provided a complete day of basketball instruction and competition. The morning session had the players participating in fundamental skills stations conducted by some of the state's top high school and travel ball coaches. Following the morning stations, the players were treated to an electrifying speech from Banneker High School's Courtney Brooks. Coach Brooks, who led Southwest Atlanta Christian Academy (SACA) to national prominence and State Titles in 2004 and 2006, spoke passionately to the campers regarding gratitude, dedication, and what it takes to be a true champion in the game of life. The afternoon session had the players competing in three full-court games with their respective camp teams throughout the afternoon and early evening. The event concluded with the "Top 30" Camp All-Star Game. Even though the players had already put in a full day of basketball action; the selected All-Stars rose to the occasion and played a competitive finale to cap off a very successful camp.

Below is a summary on the Event's Top Performers:

### **Most Outstanding Performers**

Is an excellent penetrator and knows how to finish; also effective from mid-range and beyond the arc. Has nice handle; exhibited good court vision and passing ability. Is also an impact player on defensive side of ball; picked up numerous steals throughout the camp. Gets off the floor well. Above average jump shooter. Rebounds very well from guard spot. Difference maker on both ends of floor. With continued physical development and increased physical strength, he has the potential to be a very nice player at the Division I level.

Talented young forward who excelled throughout the day. Both physically tough and skilled. Was equally effective scoring on lower block as well as when facing the basket. Has excellent mid-range jump shot to compliment a solid repertoire of post moves. He catches everything thrown his way. Plays with competitive fire and understands the game. Currently receiving Division I level interest.

**Simon Shafack (6' 5, Wing, Lanier; 2014)**

Athletic and physically strong player with good versatility. Was effective scoring around the rim, from the outside, and finishing on the break. Good upside potential.

**Jay Bowyer (5' 11, PG, Walton; 2014)**

Excellent on ball defender who harasses opposing guards with full court pressure. Has improved outside shot significantly over the past six months. Great work ethic and desire. Has transferred from Harrison to Walton for Senior year, where he should be one of the top players in always competitive Region 5-AAAAAA.

**Logan McIntosh (6' 3, PG, McEachern; 2014)**

Smooth playmaker with good length and solid skill set. He has deceptive quickness and uses changes of pace very well. Elite shooter who shot the ball extremely well from three point range. Excellent shooters are always in demand, and Destin caught the attention of several college coaches with his smooth stroke. Is nearly-automatic when he has his feet set. Understands how to use screens and move without the ball to set up opportunities. Above average student with grades and good test scores makes him an attractive target for more academically selective schools.

**Justice Morgan (6' 0, PG, Harrison; 2014)**

Scoring point guard who played well throughout the day. Has a very nice pull-up/mid-range game. Can create shot well off the dribble. Dished out several nice assists when defense collapsed on him. With continued development and added weight, Wooten has the potential to bloom into a very good player.

**Elijah Weems (6' 4, Wing, Walton; 2014)**

Energetic and athletic player who plays with a great motor. Very good defender and rebounder. Seemed to be all over the court making plays in his team's scrimmage games. Has more than adequate perimeter skill to play guard at high school level, but will need to continue to develop that aspect of his game for the next level. Plays with relentless hustle and is the type of "glue guy" that successful teams need.

**Kendrick Cole (6' 1, PG, Northview; 2014)**

One of the biggest surprise players in camp; athletic prospect who had a very good showing on both sides of the ball. Powerfully built Post player from Serbia who will be playing at Rabun-Gap this season. Even though he arrived in the United States only one day prior to camp on flight from Europe, Luka showed no signs of jet-lag on the court, where he used his strength and size to physically overpower opponents. Has an effective drop step move and decent overall footwork. Demonstrated a fairly soft touch around the rim and the ability to score with both hands. He uses body well to shield off defender. Very comfortable in the low post, but can also knock down the face up jumper. He is a Division I prospect with good upside potential.

**Admir Radoncic (6' 8, Forward, Mandarin, FL; 2015)** – Skilled and fundamentally sound forward with similar game as his twin brother Armin (listed above). Though identical twins, Admir is an inch taller than his brother. He showed good footwork, post moves, and scoring ability in the morning station work, as well as a determined demeanor. He also plays with an aggressiveness that is not commonly seen in young players his size. With continued development, he will be a nice addition to a program at the Division I level.

**Isaiah Rose (6' 4, Wing, Northview; 2014)**

Skilled guard with much upside potential; has very smooth outside shot with good mechanics. Handles the ball very well for his size and has quick first step allowing him to slash through lane for scoring opportunities. Sees the floor well and is good passer.
