(Atlanta, GA)

The 2014 SEBA Atlanta All-Star Shootout took place this past Saturday on the campus of Oglethorpe University in Atlanta. The 13th annual exposure event featured a full roster of 160 prospects from the Classes of 2015, 2016, and 2017. The prospects represented many high school programs from throughout the state of Georgia, as well as programs from the states of Florida, Tennessee, South Carolina, North Carolina, Alabama, and Kentucky. The Shootout continued the SEBA tradition of providing strong exposure to all of the participants, as many College Coaches were in attendance to evaluate the talent on hand. Several Regional scouting publications were also on hand to cover the event.

The Shootout provided a complete day of basketball competition, development, and exposure. During the morning session, the players participated in fundamental skills stations conducted by some of the state's top high school and travel ball coaches. Following the morning stations, the players were treated to a terrific speech by the always inspirational Courtney Brooks. Coach Brooks, who led Southwest Atlanta Christian Academy (SACA) to national prominence and State Titles in 2004 and 2006, spoke passionately to the camp regarding character, gratitude, and being successful in the game of life. After receiving the dose of motivation, the players moved into 5-on-5 play, where they competed in three (3) full-court games with their respective camp team throughout the afternoon and early evening.
